## Work history

Stage	End Date
FBK, Trento	June 2024
3 week stage about researching the behaviour of Low-Gain Avalanche Detectors. An incredible experience in the sector of research, programming and teamwork.	June 2024
NAO challenge	End Date
Scuola di robotica, Trento	October 2022
For the last two years I have participated in the NAO challenge, a robotic competition in which challengers are asked to bring innovation in a specific sector. Our got great results making it to the finals in both years.	March 2024
Bootcamp	End Date
NTS, Bolzano	February 2025
I have participated for a total of eight days in a bootcamp at NTS, a networking company. The topics were routing & switching and cybersecurity, so I have managed to make a deep dive that I wouldn't have done in school.	March 2025
Squad statistics olympics	End Date
ISTAT, Trento	February 2024
Every year me and two my other classmates participated in the Italian statistic olympics, which were in trios. Last year we finished third in the nation and this year we recently got the results that we are first in the nation. So we are going to do the European level.	March 2025
